

## Mrs. Charlene Perez 2nd Grade

### **What is your favorite movie or genre of movie?**

*I loved Little Women when it came out in theaters (before the pandemic). I love any period films or series, really (like Downtown Abbey)!*

### **What is one of your favorite books and authors?**

*Lately I've been going back through some of the Christian classics by authors like C.S. Lewis and am seeing things I missed years ago.*

### **What is your favorite holiday? Why?**

*I love Thanksgiving because it's not about materialism. It's just about family, food, fall weather, and gratitude!*

### **What is your favorite flower or plant?**

*LILACS!!! But sadly, they don't grow here in Georgia so I only get to enjoy them when I'm back in the Midwest (IA and IL) in the Spring.*

### **What is your favorite color?**

*Hmmmm...that's a tie be aqua greens and ocean blues. I love all beach colors, really, and have been painting a lot of our home using Sherwin William's "Sea Salt" and "Tidewater".*

### **What is your favorite place to shop?**

*Target. I call it the "\$100" store because you go in for toothpaste and walk out with \$100 of stuff you probably don't need but could not resist. My family will tell you I love Amazon because the delivery truck stops by our house every week, but I really only shop Amazon because of it's amazing selection and convenience, not because it's an "experience".*

### **What is your favorite restaurant?**

*Marie's Italian Deli in the town where we live (true, authentic Italian dinners, bakery, and gelato bar!).*

### **What do you like to do in your free time?**

*I love working outside in my yard and tending to my big pots of flowers! I also enjoy working on our home, which is really old but has great character and charm and always a work-in-progress!*

### **What is your favorite (non-alcoholic) beverage?**

*Bubly carbonated flavored waters! I'M TOTALLY ADDICTED!*

### **What is your favorite candy or treat?**

*I have a hard time resisting anything that is both salty and sweet combined.*

### **If you could choose anywhere to travel, where would it be?**

*My two places that I want to see someday are the Holy Lands and Greece. My favorite local spot to vacation is the FL/MS Gulf region, but also love the SLC region of UT and looking forward to going to Park City for Fall Break!*
